

Subject: Global Skills / World History

First Trimester

Grade: 7th Alpha / Beta/ Gamma

Teacher: Mariana Oseguera/ Saúl Montoya

Study Guide

Independence of the 13th Colonies of North America: The foundations of modern Europe.

Written Exam

- Information about Europe and its physical geographic features
- Seas and oceans of Europe.
- Locate the main peninsulas.
- Know and locate the most important mountain ranges and major rivers.
- Locate the 13 colonies.
- Know the characteristics of New England, Middle, and Southern Colonies.
- Identify the causes of the American Revolution.

Project: Passport of Europe

Create a passport to Europe. Each student is assigned a country and has to research:

- Location & map
- Flag & capital
- Key historical facts
- Culture, traditions & language
- Typical food
- Important landmarks
- Interesting facts
- A short reflection on what makes their country unique

Final product: A creative European passport + short presentation

*The following rubric will be used to evaluate the final product

Criteria	Excellent – 4	Good – 3	Developing – 2	Beginning – 1
Research & Content	Complete, accurate, and interesting information	Mostly complete and accurate	Some information is missing	Very limited information
European Country	Covers location, history, culture, food, landmarks & facts	Covers most required areas	Covers some required areas	Covers very few areas
English	Clear English with varied vocabulary and few/no errors	Generally clear with minor errors	Several errors affect clarity	Errors frequently affect understanding
Creativity & Presentation	Creative, organized, and visually engaging passport	Organized and attractive	Some creativity/organization	Incomplete or difficult to follow
Oral Presentation	Clear, confident, and well-prepared	Clear and prepared	Some hesitation or preparation issues	Limited preparation or participation
Effort & Organization	Excellent effort; all work completed on time	Good effort; mostly complete	Inconsistent effort	Incomplete or late work
