

Subject: Global Skills

Group: 6TH Grade

First Trimester Exam

Teacher: Ma. Ivette Aguilera Pérez.

Project: EXPLORING AFRICA'S REGION

Students will create and present a poster about a specific region in Africa.

Criteria Excellent (4) Good (3) Satisfactory (2) Needs Improvement (1)

Content

- ☐ **Landscapes** The poster and model provide a detailed and accurate depiction of the region's landscapes, including diverse features such as deserts, savannahs, forests, and more.
- ☐ **Rivers and Lakes** The poster and model clearly identify and explain important rivers and lakes in the chosen African region, including their significance.
- ☐ **Mountains** The poster and model effectively present significant mountain ranges or peaks within the region and explain their impact on the area.
- ☐ **Ports and Oceans** The poster and model accurately identify key ports and discuss their importance in regional trade and commerce.
- ☐ **Natural Resources** The poster and model comprehensively list and explain the region's natural resources, emphasizing their economic and cultural significance.
- ☐ **Languages** The poster and model provide information about the languages spoken in the region, highlighting their importance in communication and culture.
- ☐ **Important Celebration** The poster and model describe a major celebration or festival specific to the chosen region, including its customs, traditions, and significance.
- ☐ **Cultural Facts** The poster and model incorporate interesting cultural facts that showcase the unique aspects of the region's heritage.

Presentation

- ☐ **Organization** The poster and model are well-organized, with a clear and logical flow of information, making it easy for the audience to follow.
- ☐ **Visuals** The visuals on the poster and model are appealing, relevant, and support the information presented.
- ☐ **Clarity of Explanation** The student provides clear, concise, and well-explained information, ensuring that the audience understands the key points.
- ☐ **Engagement** The student's presentation is engaging and captures the audience's interest, fostering curiosity about the region.

Creativity

- ☐ **Artistic Expression** The poster and model demonstrate creativity in design, layout, and artistic elements that enhance the project's overall presentation.
- ☐ **Unique Perspective** The student offers a unique perspective or insight into the chosen African region, showcasing creativity in their approach.
- ☐ **Attention to Detail** The project reflects attention to detail, highlighting the student's commitment to presenting a thorough and thoughtful exploration.
- ☐ **Originality** The project demonstrates originality in the way information is presented, making it stand out among peers' projects.

Overall Presentation

- ☐ **Overall Quality** The project as a whole is of high quality, showcasing a deep understanding of the chosen African region's geography, culture, and significance.
- ☐ **Relevance** The information presented is directly relevant to the project's focus on landscapes, rivers, lakes, mountains, ports, oceans, natural resources, languages, important celebrations, and cultural facts.
- ☐ **Use of Resources** The student effectively utilizes various resources (e.g., books, websites, interviews) to gather accurate information about the region.
- ☐ **Body Language** The student uses their body language properly while presenting. He/She pronounces properly with the correct volume and intonation.
